ℹ **TRICK OUR SYSTEM!**

The money you are about to spend would alternatively give you at least 40 plugins + 40 modular effects in one of our monthly bundles for a long time, plus a **FREE Voucher (up to $249.99)!**

The **ESSENTIAL BUNDLE** for example is starting at just $10/mo!
> Use it for **more than 3 months** for the money you are about to spend! <

In some cases you get more $$ back in vouchers than you spend on our bundles!

1. Sign up for any of our **YEARLY** ($99/yr and up) or **MONTHLY** bundles!
2. Get access to all the plugins included right away
3. Then buy the plugins you want to keep with the voucher you will receive!
   ($99.99 - $249.99, depending on the bundle you choose)

Your Voucher Code will go out right away with Yearly plans, or after 12 consecutive payments with Monthly plans!

STEP 6: Head over to your emails to find the Authorisation Code and the link to be redirected to the Woodlands Studio Website which has been sent from Plugin Alliance

Installation Files

Plugin Authorization Code (License Key)
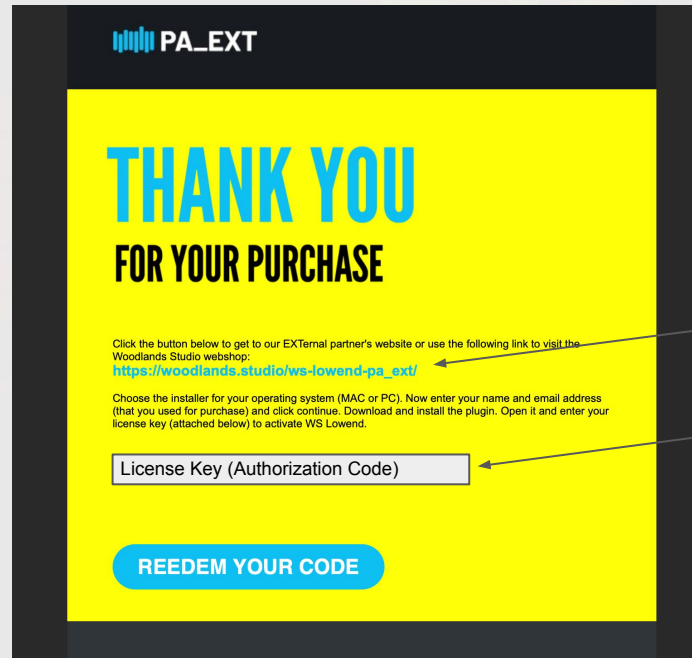

STEP 7: Download the Installation Files on the Woodlands Studio PA_EXT Page

STEP 8: After Choosing Mac or PC, click the green button to download the Installation Files.
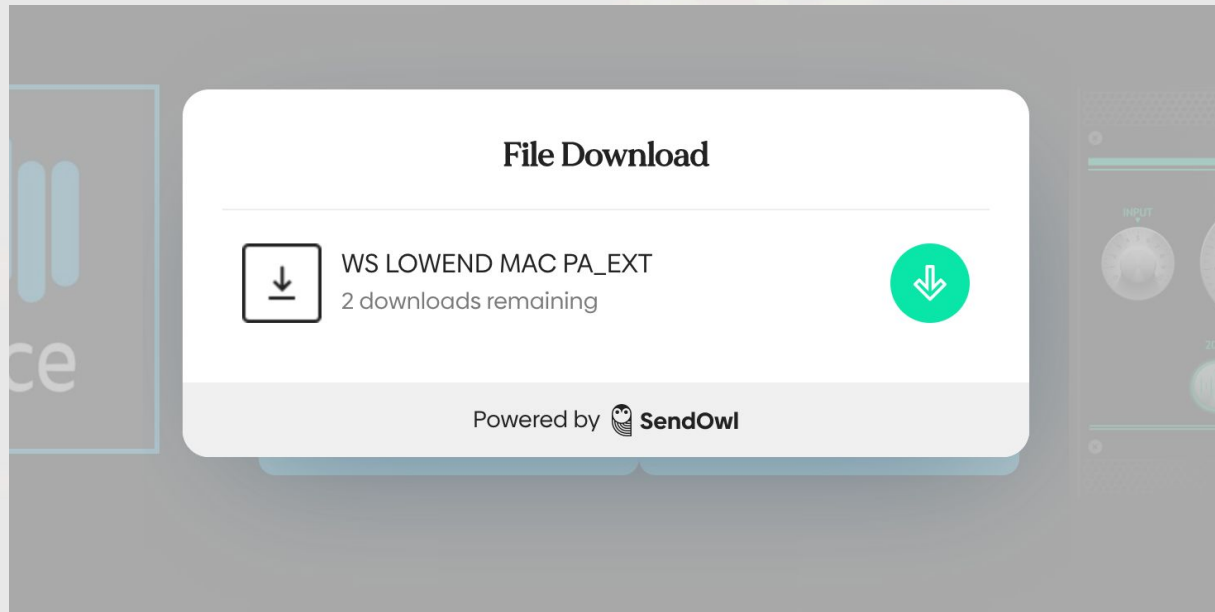

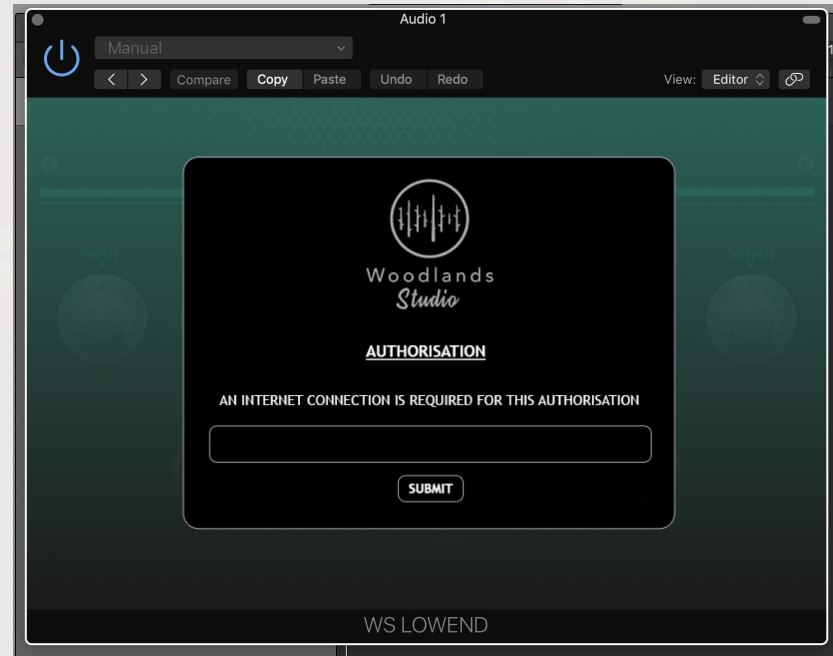

STEP 9: Go to your downloads and install the Plugin. (Make sure your DAW is closed whilst installing and if you have a demo version you remove this from your Mac/ PC as it is a different version and can intervene)
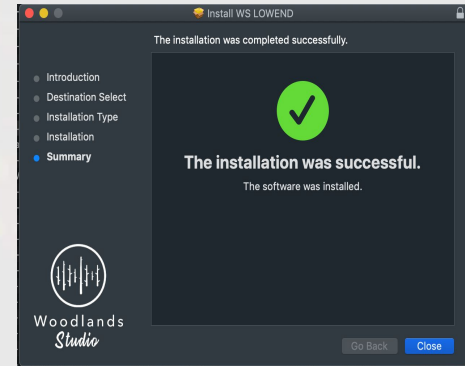

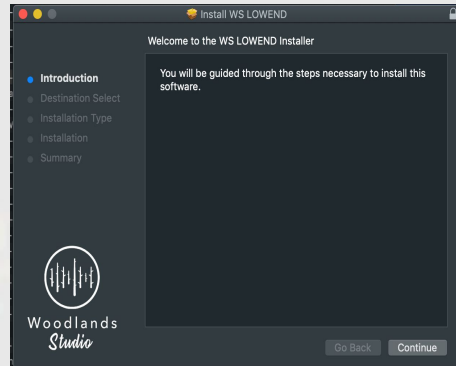

STEP 10: Restart your computer (not always needed, but good to make sure) and open up your DAW and locate the Plugin.
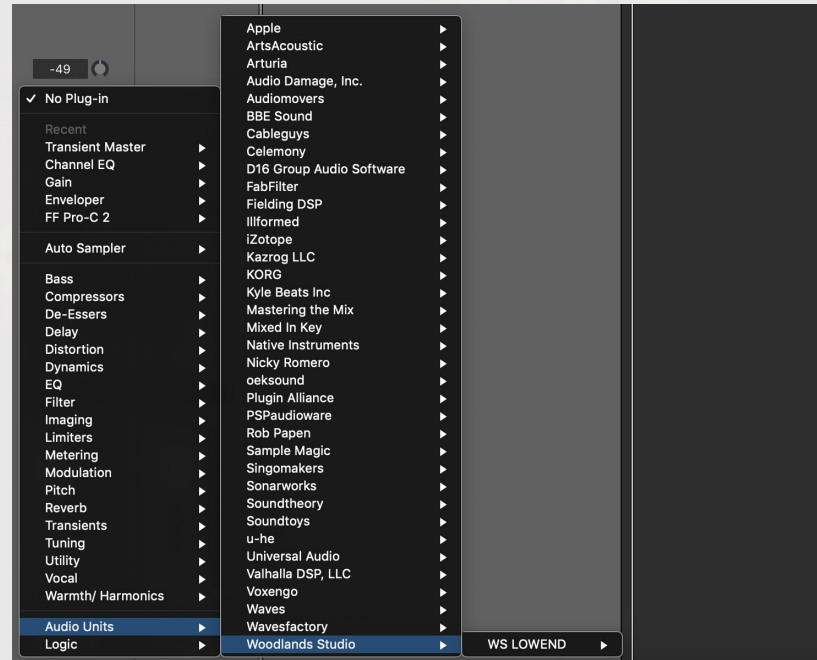

STEP 11: Once the plugin is open, you will be prompted for the Authorization code which was sent to your emails (Step 6). Enter this code.

STEP 12: Enjoy!
